Ref: C/A 2:19-CV-1787-RMG

Dear Sir/Ma'am,

This letter is to submit two more exhibits to my case number 2:19-CV-1787-RMG. Unbeknownst to me, the Friday prior to my Monday filing the defendant had mailed to me response(s) to my FOIA request relating to my first IC3 complaint (filed March 6, 2013; assigned IC3# I1303062223331011 and FOIPA# 1431748-000). I have enclosed copies of both the accompanying release letter and the response(s) which I categorize as Exhibits 6 and 7 respectively.

If it pleases the court, I do not accept this response as fulfilling my FOIA request. The defendant has stated, within its most recent Annual Report, that its core functions are to Collect, Analyze, Raise Public Awareness, and Refer. Yet, their response was merely a redacted copy of my original complaint. This is even though, in my FOIA request, I did seek "submission reports; evaluation reports; analysis/investigative reports; and administrative reports." Therefore it appears the defendant has merely "collected" an neither "analyzed" nor "referred."

In addition, if it pleases the court, I am filing an administrative complaint of misconduct against the defendant with its respective Office of Inspector General. Given their response, affirmative or not, the defendant has shown a willing miscarriage of duty as after six years, in one case, and four years in another, they have done nothing but collect my complaint. Nothing more. No analysis, referral or anything else for that matter.

If there are any questions or issues with this submission, or other matter(s), relating to my case, please feel free to contact me at the above listed addresses.

Cordially,

Robert T. Samuel III, plaintiff
